

Family and Caregiver External Support Program (FACES)

What is

The Sherburne County FACES Program is intended to improve the outcomes for children and families when a parent has been incarcerated, is incarcerated, or has had interactions with law enforcement putting them at risk of incarceration.

[Referral Form](#)

WHAT FACES CAN DO FOR YOU

- Help build protective factors with children and families that include creating a stable support system, build positive child-adult relationships, stable housing and find ways to meet family's needs.
- Support the delivery of transition services upon release.
- In home family support services.
- Efforts to build your informal support system for continued support.
- Parenting support and guidance when a parent is incarcerated.
